ABOUT ME

I'm a recently graduated Computer Science student and looking for new opportunities to expand my knowledge in the area. I have a lot of experience with software and web development, algorithms and data structures. In the past years I was able to improve my skills in problem-solving, collaborating in teams, while still being able to adapt to and overcome different and difficult environments.

EDUCATION

Degree in Computer Science, at ISCTE - Instituto Universitário de Lisboa (2021 - 2025)

- Relevant classes: Distributed and concurrent programming; Operating systems; Data bases; Object oriented programming; Artificial Intelligence; Multiparadigm programming.

Course in Science and Technology, Escola Secundária São João do Estoril (2018 - 2021)

SKILLS

- Coding: Java, Python, SQL, C, Scala;
- Programs: OutSystems, Excel, Unity, Azure;
- Language: Fluent in Portuguese and English, Intermediate level Spanish and French;
- Soft skills: Adaptive, attentive to details and creative.

CERTIFICATES

- EF SET English Certficate
